Re: Himco Waste Away (information request)

Dear Ms. Swales:

The following information was obtained from Riblet Products Frame Division staff personnel and records regarding disposal of solid waste through Himco, Inc.:

1. a. Riblet frame division is a steel fabricator manufacturing mobile home chassis, waste containers, and galvanized mobile home roofing.
b. Slitting, shearing, and forming steel parts and fabricating via welding.
c. Solid non-hazardous waste including floor sweepings, paper and cardboard discarded products, wood blocks, steel banding, and discarded office trash.
d. Janitorial personnel clean up facility during course of each day and discard into Himco dumpster.
e. SIC #-3448
2. Hazardous waste has been generated since 6/88 and disposed of by Liquid Waste Removal, Indianapolis, IN.
2. Person responsible for making arrangements for disposal or treatment is Donald Smith.
3. Yes - only solid/non-hazardous waste.
4. Billing receipts from Himco are available for 7 years past.
5. Solid/non-hazardous waste - see 1 c. above.

6. Solid waste has been collected weekly by Himco for 7 years. Billing receipts indicate an average of 96 cubic yards per month for 7 years.
7. No analytical on solid waste.
8. No pollution liability insurance has been provided at this facility. General liability insurance policies have been secured since the inception of this location.

The above information is accurate and true to the best of the knowledge and belief of myself and the staff at the frame division.

All available records and information from the past have been reviewed and researched thoroughly.

I certify that the above information is true and authentic to the best of my knowledge.

Sincerely,

RIBLET PRODUCTS CORPORATION

Daniel P. Wilson
Safety & Environmental Consultant
